VINTAGECOLLECTION

Launching 1/1/18

In celebration of our rich history and 120th anniversary, Saucony Originals presents the Vintage Collection within our Classic line. Utilizing the original features on some of our most iconic silhouettes, we can turn back time to a bygone era.

The Vintage Collection is highlighted with an authentic mesh toebox, unlined tongue, bespoke sock liner, weathered upper and off-white midsole. The final nods to history include vintage logo branding on the tongue and heel tab, and the original shoebox design from 1983.

This collection will add the perfect amount of athletic sensibilities to your stride.
